We have chosen to keep this tournament affordable to play, and prizes will be awarded to at least 45% of the field of each division to encourage fun for all. Payout will be calculated after park, city, PDGA, and So Cal fees are deducted.

All players get a great lunch for free on Saturday, but donations are being accepted to benefit the growth of disc golf through the non-profit E.D.G.E. program, helping to grow the future of our sport by getting disc golf programs into our local schools.
